QUARK Sphere

Physical Traits

Create a detailed description.

- **Colourful**

Character Traits

What is your character's personality?

- **Random**
- **Extravagant**
- **Strange**

Motivation

Why does your character do what he/she does?

If the world remembers she's an exchange particle, we'd put an effort into knowing where she's coming from and why she wants to be a physicist.

Name

Write an acrostic poem of the character's name.

Quotidian
Ubiquarian
Antiscian
Rachidian
K?

Feelings

What is your character feeling?

- **Ambitious**
- **Jargon-ful**
- **Doubtful**

Reaction

Your reaction to the novel.

Kami Visitsak

LEPTON Sphere

Physical Traits

Create a detailed description.

- Colourless
- Ghostly

Character Traits

What is your character's personality?

- Spirited
- Drained
- Loaded

Motivation

Why does your character do what he/she does?

As the cosmic particle, she is spiritual and believes in particles within everyone, so her concentration has always been particle physics.

Name

Write an acrostic poem of the character's name.

Lets out

Obscure
Negative

Feelings

What is your character feeling?

- Electric/
Manic
- Negative/
Depressed

Reaction

Your reaction to the novel.

Diana Easter

BOSON Sphere

Physical Traits

Create a detailed description.

- **Bright**
- **Tacky**

Character Traits

What is your character's personality?

- **Bright**
- **Prideful**
- **Lucid**

Motivation

Why does your character do what he/she does?

As the light particle, he knows that the world adores his presence and he likes that power and influence he has on the physics community.

Name

Write an acrostic poem of the character's name.

Bright
Or kind of
Sanctimonious
Or seriously
Narcissistic

Feelings

What is your character feeling?

- **Intrigued**
- **Angered**
- **Confident**

Reaction

Your reaction to the novel.

Brian Eglad

ATOM Sphere

Physical Traits

Create a detailed description.

- **Loveable**
- **Classic**

Character Traits

What is your character's personality?

- **Repetitive**
- **Cooperative**
- **Unstable**

Motivation

Why does your character do what he/she does?

As the matter that makes up the entire world and universe for that matter, they will run everything.

Name

Write an acrostic poem of the character's name.

Attentive
Towards
Outsiding
Matters

Feelings

What is your character feeling?

- **Jealous**
(of QUARK)

Reaction

Your reaction to the novel.
