Ψ

(Breathe in then out.) WHO LET THE CAT OUT? THE BOX?
WILL PLANCK CONSTANT FIND MY PUSSY?
DIVISION BY TWO PI...
'LECTRICITY, LET THE MAGNETS POLARIZE THE LIGHT.
AND PHOTON'S FREQUENCY SHALL MOAN.

[The space brightens.]

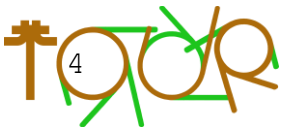

MY PUSSY, PERHAPS DEAD IN THE INSIDE.
I ONCE QUANTUM TUNNEL THEE.
I AM A WAVE FUNCTION.
I FELL OUT OF ENERGY LEVELS, OSCILLATING.
LET BE MY PUSSY EPSILON!

(Quivering.)

ALL THE GROUND STATES EVIDENT.
THIS IS GENERAL NORMALCY.
RELATIVITY WILL NOT TEND TO ME.

(Ψ defeatedly lays down.)

(HAMILTONIAN slyly enters.)

{The playwright wishes to parody HAMILTON, but he has not actually purposefully heard the musical.}

H

ENERGIES ARE BOUNDLESS.
OPERATOR, BE HAMILTONIAN.
SAVES MY PUSSY FROM *LIFE/DEATH*.

(Saying puzzledly.)

(Ψ reaches to HAMILTONIAN.)

Ψ

F*CK ME.
IT'S NOT EASY TO DERIVE.
DOUBLE INTEGRAL MY PUSSY.
DEAD AND 'LIVE BY PHYSICS.
IF YOU F*CKED ME, YOU'LL GET SOME OF THAT SCHRÖDINGER'S
CAT.
AH YES, WELL THAT IS SO OFTEN HOW THESE THINGS GO.

(On the next SISR:
 PLANCK CONSTANT returns with SCHRÖDINGER'S
 PUSSY. This PUSSY is no longer the time-
 dependent equation we all know, but built
 like a crevassed time-independent equation.
 Or however DAVID QUANG PHAM twists himself
 into a quantum knot to justify his obsession
 with jargon-ful lyrics.
 Is my PUSSY dead or alive? Find out on the
 next SISR!)
